WILD Jersey programs in 2022 will be **limited to children ages 5 and up**. The instructor is fully vaccinated (including booster), wears a mask for all activities, and follows all current COVID safety protocols.

Flexible program fees are designed to help libraries with smaller attendance (and smaller budgets). Choose an enrollment cap that fits your library's needs.

Program fees above include all materials and travel costs up to 100 miles round-trip.

To book a program, contact Debbie Hadley: [dhadley@wildjersey.com](mailto:dhadley@wildjersey.com)
